

^SEE. Bowerbird Bazaar

If the prospect of Bowerbird Bazaar – a market for designers & makers to sell their wares – doesn't make you tingle in strange places then there may be problems with your head. We're particularly excited to check out Third Drawer Down's esoteric collection of textiles and Flat Bird's awesome wall stickers (above). So if your place is in need of a revamp, head along and (dare we say it) take a wallet full of Nellie Melba.

GET ALONG TO THE BOWERBIRD BAZAAR at the Queen's Theatre on Fri October 9 from 2pm - 9pm & Sat/Sun October 10/11 from 10am - 5pm. FREE.
